Why Sponsor or Exhibit?

The Defense Leadership Forum has a long history of producing highly-valued defense contracting conferences. Thousands of Congressional, military, government, and business leaders have participated in our annual events.

There are a variety of opportunities at our Summits to meet government and military decision-makers and industry professionals.

In addition to the General Session presentations, our events feature a VIP Networking Reception, Networking Lunch with Exhibitors, and an invitation-only Leadership Roundtable Discussion.

Our Summits also feature matchmaking sessions, which have been highly successful in allowing Small Businesses and Prime Contractors to identify potential alliances and teaming partners.

Display your products, services, and technologies to hundreds of business professionals and decision-makers representing a variety of defense specialties.

Reach more people.

Build connections.

Grow your business.

Participants in our numerous defense events have included:

Bringing Leaders Together... To Empower Solutions.

“Even today we set up a JV to execute a project on a military base, and we're looking for many more to come. It's been a great opportunity for us to build relationships through the Defense Leadership Forum network.”

Matthew Garry, President & CEO, RapidBuilt, Summit Sponsor

“We were able to address fundamentally the need for both communities, that is the public sector community and the private sector community to come together, to partner, to collaborate. to operate based on trust. It was a very worthwhile session.”

*General Norton Schwartz, 19th Chief of Staff of the Air Force
Air Force Contracting Summit, Keynote Speaker*

“The event was truly great and a success.”

*André J. Gudger, Former Deputy Assistant Secretary of Defense
Air Force Contracting Summit, Keynote Speaker*

“The Summit offered a great opportunity for small businesses to learn more about contracting and sub-contracting with the Defense Department.”

*Debbie Brown, Deputy District Director, North Florida District
U.S. Small Business Administration*

Opting for In-Person Attendance:

We welcome you and are eager to offer you real-life shared experiences and human connection in a modified environment with safety protocols in place:

- Proof of COVID vaccination is encouraged, but not required to attend the event.
- Wearing masks and face coverings is highly encouraged in the meeting space and all public places of the hotel.
- Food/Beverages at the Summit will be served by an attendant or as individually packaged/portioned items.
- Meeting room capacity for each event may be capped with a reduced max. occupancy. We will be following guidelines set by each event venue in accordance with the guidelines set for by each city/county/state in which each event is being held.
- Seating in the meeting rooms will be modified to align with physical distancing protocols: extra distance will be placed between exhibitor tables, and maintained between attendees inside the ballroom.
- By registering for this event as an In-Person participant, you agree that risk of exposure to viruses, including COVID-19, exists in any public place, therefore, you voluntarily assume any risks associated to exposure to COVID-19.
- If you or someone in your household feels sick, please refrain from traveling to the event and convert your registration to virtual-only.

Defense Leadership Forum

ABOUT US

The Defense Leadership Forum is a public service organization bringing together Congressional leaders, Pentagon officials, military base commanders, and business representatives to identify the best solutions to defend the United States.

We organize educational forums in the Washington, DC area and throughout the country. Our highly regarded conferences provide the latest information on Defense Department budgets; the mission and contracting priorities of the U.S. Navy, U.S. Army, U.S. Air Force, and U.S. Marine Corps; the mission and contracting priorities of specific military commands and military bases; and details on specific new military contracts in all areas of procurement, including ships, aircraft, tanks, missiles, ammunition, vehicles, electronics systems, communications systems, information systems, energy, intelligence, cyber security, military construction, facilities, military family housing, health, infrastructure modernization, and more.

The Summit organizers have brought together more than 100,000 government, military, and business leaders to identify solutions to enhance the defense and security of the United States. More than 1,000 speakers have participated.

HYBRID EVENT FORMAT

Bringing leaders together is more than a phrase, it is our motto.

At the **Defense Leadership Forum**, we strive to bring military, government, and business leaders together with one simple goal — *to provide the opportunity to build connections* — leading to shared resources, partnering, and information exchanges regarding contracting opportunities. Our team has been working tirelessly to redesign our events to feature both in-person and virtual participation options. We look forward to continuing our mission of connecting the business leaders and decision-makers we serve in the defense industry via our new hybrid event format.

MATCHMAKING MEETS

(IN-PERSON AND/OR VIRTUAL)

Matchmaking Meets are an opportunity to participate in meetings with representatives from various government agencies, contracting services, prime contractors, and industry professionals -- with the purpose to facilitate targeted information exchange and match needs with resources and solutions.
